Consumer Reports Looks at Girlfriends

It has been almost 20 years since Consumer Reports reviewed girlfriends (CR, Aug 1972). Since then, styles have changed, new features have been introduced, and the market has changed substantially. Clearly, another report was long overdue.

Identifying Your Needs. As with any major purchase, before obtaining a girlfriend you should ask yourself exactly why you need one. Do you want an intellectual companion? A baby factory? A hiking partner? Or just lots of good, old-fashioned sex? Identifying your needs is the first, and most important, step in selecting a girlfriend.

The potential girlfriends you see in most showrooms tend to be loaded with the usual flashy accessories-large breasts, long legs, blonde hair, etc. However, there is also a wide variety of accessories designed to appeal to fringe markets. For example, some models come pre-equipped with pets and/or children; others can run 10 miles while chanting Sanskrit. You should make a list of accessories desired, tolerated, and disliked. Note that some accessories (such as children) can be added later, while others (such as a large bosom) must be factory-installed.

Men vs. Women

Determine Your Budget The second question, of course, is what sort of girlfriend you can afford. The answer is largely determined by your physical and personal characteristics. If you are good-looking and have a commanding personality and a good sense of humor, you will have the resources to obtain a fancy, high-end model. On the other hand, if you are ugly, smell bad, and wear polyester clothes, your choices are more limited. Keep your purchasing power in mind when considering your selection.

Although the salesman will tell you that a girlfriend can be financed, CR does not recommend this practice: due to inflating expectations, the required monetary outlay will actually *increase * with time.

Used vs. New?

A question many girlfriend seekers have to address is whether to get a new or used girlfriend. The answer to this question will, roughly speaking, be determined by your age:

Your age	Used or New
-----	-----
13-18 years	New
19-30 years	Lightly used
31-45 years	Extensively used
45+	New***

***Only if income exceeds \$250,000/year.

Otherwise, "Divorced, with kids." New girlfriends offer the advantage of having no previous bad experiences to project upon you. The disadvantage is that they will rarely be old enough to open a checking account. Used girlfriends, on the other hand, tend to be steady, reliable performers, with the initial problems worked out. CR does advise that you use caution when choosing models that have significantly higher than average > mileage (2.1 SO's/yr). This may be an indication that the girlfriend was a professional.

CR's Methodology. For our purposes, girlfriends were evaluated by a dedicated group of 10 test engineers, selected to typify the average male population. All tests were performed at CR's specially constructed facility, which included a bedroom, kitchen, and living room, and at a number of bars and taverns surrounding the facility. A series of seven tests were run, evaluating each product according to the following criteria: intelligence, wit, humor, empathy, initiative, looks, and performance.

Results Girlfriends are categorized by similarity. Within each category, variation is not statistically significant.

Goddess	This is the woman of your dreams. She comes equipped with all of the options you want and none of the ones you don't. She can argue subtle points of philosophy, give you a stiff game of racquetball, understand what you mean even if you don't say it, and break a bed with her enthusiasm. No mental or physical hang-ups. The drawback is that this model is not actually available.

Men vs. Women

Goddess II	This model is similar to the Goddess, but comes in-law with contractual retainers, such as a psychotic ex-husband, a spiteful mother, an alcoholic father, and a bratty kid. This model tends to generate grey hairs.
Ms. Right	The best all-around choice for most girlfriend situations. Has most of the characteristics of the Goddess except possibly in the wrong size or hair color. Other than that, an excellent long-term investment. Availability is extremely limited but can occasionally be found with luck.
Babe	This is the flashy, fully-loaded variety with all options. Unfortunately this model lacks cognitive powers and empathy. Showy, suitable for a parade or for impressing your friends, but not for your long-term girlfriend needs.
Friend	The model with the most empathy. Caring and kind but tends to be aesthetically lacking. Availability is poor to fair depending on quality.
Yeah, Her	The Chevy Nova of girlfriends. Widely available, but useful only in a pinch, if no others are available. Tends to be spiteful or unreliable, with a dull finish. Some reasons it's great to be a guy

HERE'S TO MARRIAGE

Getting married is very much like going to a restaurant with friends.

You order what you want, then when you see what the other fellow has, you wish you had ordered that.

At the cocktail party, one man said to another, "Aren't you wearing your wedding ring on the wrong finger?" The other replied, "Yes, I am, I married the wrong woman."

Man is incomplete until he is married. Then he is finished.

A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know son, I'm still paying."

Young Son: Dad, I heard that in some parts of Africa a man doesn't know his wife until he marries her?

Dad: That happens in every country, son.

Then there was a man who said, "I never knew what real happiness was until I got married; and then it was too late."

After a quarrel, a wife said to her husband, "You know, I was a fool when I married you." The husband replied, "Yes, dear, but I was in love and didn't notice."

A man inserted an ad in the classifieds: "Wife wanted". Next day he received a hundred letters. They all said the same thing: "You can have mine."

Men vs. Women

A woman was telling her friend, "It is I who made my husband a millionaire."

"And what was he before you married him?" asked the friend.

The woman replied, "A billionaire."

"The trouble with being the best man at a wedding is that you never get to prove it."

The groom, upon his engagement, went to his father and said, "I've found a woman just like mother!" His father replied, "So what do you want from me, sympathy?"

When a man steals your wife, there is no better revenge than to let him keep her.

Eighty percent of married men cheat in America. The rest cheat in Europe.

Marriage is the triumph of imagination over intelligence.

Second marriage is the triumph of hope over experience.

If you want your spouse to listen and pay strict attention to every word you say, talk in your sleep.

I married Miss Right. I just didn't know her first name was Always.

It's not true that married men live longer than single men. It only seems longer.

Losing a wife can be hard. In my case, it was almost impossible.

A man was complaining to a friend: "I had it all - money, a beautiful house, a big car, the love of a beautiful woman; then, Pow! It was all gone!"

"What happened?" asked his friend. "My wife found out..."

A man rushes into his house and yells to his wife, "Martha, pack up your things! I just won millions in the California lottery!"

Martha replies, "Shall I pack for warm weather or cold?"

The man responds, "Who cares? Just get the fuck out of here by noon!"

Men vs. Women

I haven't spoken to my wife in 18 months. I don't like to interrupt her.

Just think, if it weren't for marriage, men would go through life thinking they had no faults at all.

You know the honeymoon is pretty much over when you start to go out with the boys on Wednesday nights, and so does she.

During a heated spat over finances the husband said, "Well, if you'd learn to cook and were willing to clean this place, we could fire the maid."

The wife, fuming, shot back, "Oh yeah??? Well, if you'd learn how to make love, we could fire the chauffeur and the gardener!"

Personally, I think one of the greatest things about marriage is that as both husband and father, I can say anything I want to around the house.

Of course, no one pays the least bit of attention.

According to the latest surveys, when making love, most married men fantasize that their wives aren't fantasizing.

Husband: Want a quickie?

Wife: As opposed to what?

A successful man is one who makes more money than his wife can spend.

A successful woman is one who can find such a man.

A husband said to his wife, "No, I don't hate your relatives. In fact, I like your mother-in-law better than I like mine."

Men who have pierced ears are better prepared for marriage. They've experienced pain and bought jewelry.

How do most men define marriage? A very expensive way to get your laundry done free.

A couple was having a discussion about family finances. Finally the husband exploded, "If it weren't for my money, the house wouldn't be here!" The wife replied, "My dear, if it weren't for your money, I wouldn't be here!"

A man said his credit card was stolen but he decided not to report it because the thief was spending less than his wife did.

The most effective way to remember your wife's birthday is to forget it once.

Men vs. Women

First guy (proudly): "My wife's an angel!"

Second guy: "You're lucky, mine's still alive."

Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are beautiful.

RULES THAT GUYS WISH THAT GIRLS KNEW

1. If you think you're fat, you probably are. Don't ask us.
2. Learn to work the toilet seat: if it's up put it down.
3. Don't cut your hair. Ever.
4. Birthdays, Valentines, and Anniversaries are not quests to see if he can find the perfect present, again!
5. If you ask a question you don't want an answer to, expect an answer you don't want to hear.
6. Sometimes, he's not thinking about you. Live with it.
7. Don't ask him what he's thinking about unless you are prepared to discuss such topics as navel lint, the shotgun formation and monster trucks.
8. Get rid of your cat. And no, it's not different, it's just like every other cat.
9. Any dog is better than any cat. Period.
10. Sunday = Sports. It's like the full moon or the changing of the tides. Let it be.
11. Shopping is not sport.
12. Anything you wear is fine. Really.
13. You have enough clothes.
14. You have too many shoes.
15. Crying is blackmail. Use it if you must, but don't expect us to like it.
16. Your brother is an idiot, your ex-boyfriend is an idiot and your Dad probably is too.
17. Ask for what you want. Subtle hints don't work.
18. No, he doesn't know what day it is. He never will. Mark anniversaries on a calendar.
19. Yes, pissing standing up is more difficult than peeing from pointblank range. We're bound to miss sometimes.
20. Most guys own two to three pairs of shoes-what makes you think we'd be any good at choosing which pair, out of thirty, would look good with your dress?
21. Yes and No are perfectly acceptable answers.
22. A headache that lasts for 17 months is a problem. See a doctor.
23. Your Mom doesn't have to be our best friend.
24. Foreign films are best left to foreigners.
25. Check your oil.
26. Don't give us 50 rules when 25 will do.
27. Don't fake it. We'd rather be ineffective than deceived.
28. It is neither in your best interest nor ours to take the quiz together.
29. Anything we said 6 or 8 months ago is inadmissible in an argument. All comments become null and void after 7 days.
30. If you don't dress like the Victoria's Secret girls, don't expect us to act like soap opera guys.
31. If something we said can be interpreted two ways, and one of the ways makes you sad and angry, we meant the other one.
32. Let us ogle. If we don't look at other women, how can we know how pretty you are?

Men vs. Women

33. Don't rub the lamp if you don't want the genie to come out.
 34. You can either ask us to do something OR tell us how you want it done - not both.
 35. Whenever possible, please say whatever you have to say during commercials.
 36. Christopher Columbus didn't need directions, and neither do we.
 37. Women wearing Wonderbras and low-cut blouses lose their right to complain about having their boobs stared at.
 38. Consider golf a mini-vacation from you. We need it, just like you do.
 39. Telling us that the models in the men's magazines are airbrushed makes you look jealous and petty and it's certainly not going to deter us from reading the magazines.
 40. The relationship is never going to be like it was the first two months we were going out.

After just a few years of marriage, filled with constant arguments, young man and his wife decided the only way to save their marriage was to try counseling. They had been at each other's throats for some time and felt that this was their last straw.

When they arrived at the counselor's office, the counselor jumped right in and opened the floor for discussion. "What seems to be the problem?"

Immediately, the husband held his long face down without anything to say.

On the other hand, the wife began talking 90 miles an hour describing all the wrongs within their marriage. After 5 - 10 - - 15 minutes of listening to the wife, the counselor went over to her, picked her up by her shoulders, kissed her passionately for several minutes, and sat her back down.

Afterwards, the wife sat there - speechless. He looked over at the husband who was staring in disbelief at what had happened. The counselor spoke to the husband, "Your wife NEEDS that at least twice a week!"

The husband scratched his head and replied, "I can have her hereon Tuesdays and Thursdays."

I'm really stupid!

Husband and wife are getting all snugly in bed. The passion is heating up. But then the wife stops and says "I don't feel like it, I just want you to hold me." The husband says "WHAT??" The wife explains that he must not be in tune with her emotional needs as a woman.

The husband realizes that nothing is going to happen tonight and he might as well deal with it. So the next day the husband takes her shopping at a big dept. store. He walks around and has her try on three very expensive outfits. And then tells his wife. We'll take all three of them.

Then goes over and gets matching shoes worth \$200 each. And then goes to the Jewelry Dept. and gets a set of diamond earrings. The wife is so excited (she thinks her husband has flipped out, but she does not care). She goes for the tennis bracelet. The husband says "but you don't even play tennis, but OK if you like it then lets get it." The wife is jumping up and down so excited she cannot even believe what is going on.

## The "Lighter" Side of Marriage

Marriage is not a word. It is a sentence (a life sentence!).

Marriage is very much like a violin; after the sweet music is over, the strings are attached.

Marriage is an institution in which a man loses his Bachelor's Degree and the woman gets her Masters.

Marriage is a thing that puts a ring on a woman's finger and two under the man's eyes.

Marriage certificate is just another word for a work permit.

Marriage is not just a having a wife but also worries inherited forever.

Marriage requires a man to prepare 4 types of "RINGS":

The Engagement Ring, The Wedding Ring, The Suffe-Ring, The Endu-Ring

Married life is full of excitement and frustration:

(a) In the first year of marriage, the man speaks and the woman listens.

(b) In the second year, the woman speaks and the man listens.

(c) In the third year, they BOTH speak and the NEIGHBOURS listen.

Getting married is very much like going to the restaurant with friends. You order what you want, and when you see what the other fellow has, you wish you had ordered that.

There was this man who muttered a few words in the church and found himself married. A year later he muttered something in his sleep and found himself divorced.

A happy marriage is a matter of giving and taking; the husband gives and the wife takes.

-----

**Son:** How much does it cost to get married, Dad?

**Father:** I don't know son, I'm still paying for it.

**Son:** Is it true? Dad, I heard that in ancient China, a man doesn't know his wife until he marries.

**Father:** That happens everywhere, son, EVERYWHERE!

There was a man who said, "I never knew what happiness was until I got married.... and then it was too late!"

They say that when a man holds a woman's hand before marriage, it is love; after marriage it is self-defense.

# Men vs. Women

When a newly married man looks happy, we know why. But when ten-year married man looks happy, we wonder why.

There was this lover who said that he would go through hell for her. They got married, and now he is going through HELL.

Remember the book "Men are from Mars, Women are from Venus"? Well, here's a prime example offered by an English professor at Southern Methodist University, English 44A, SMU, Creative Writing, Prof. Miller.

## **In-class Assignment for Wednesday:**

"Today we will experiment with a new form called the tandem story. The process is simple. Each person will pair off with the person sitting to his or her immediate right. One of you will then write the first paragraph of a short story. The partner will read the first paragraph and then add another paragraph to the story. The first person will then add a third paragraph, and so on back and forth. Remember to re-read what has been written each time in order to keep the story coherent. The story is over when both agree a conclusion has been reached."

"The following was actually turned in by two of my English students:

Rebecca - last name deleted, and Gary - last name deleted."

STORY: (first paragraph by Rebecca)

At first, Laurie couldn't decide which kind of tea she wanted. The chamomile, which used to be her favorite for lazy evenings at home, now reminded her too much of Carl, who once said, in happier times, that he liked chamomile. But she felt she must now, at all costs, keep her mind off Carl. His possessiveness was suffocating, and if she thought about him too much her asthma started acting up again. So chamomile was out of the question.

---

Meanwhile, Advance Sergeant Carl Harris, leader of the attack squadron now in orbit over Skylon 4, had more important things to think about than the neuroses of an air-headed asthmatic bimbo named Laurie with whom he had spent one sweaty night over a year ago. "A.S. Harris to Geostation 17," he said into his transgalactic communicator. "Polar orbit established. No sign of resistance so far..." But before he could sign off a bluish particle beam flashed out of nowhere and blasted a hole through his ship's cargo bay. The jolt from the direct hit sent him flying out of his seat and across the cockpit.

---

He bumped his head and died almost immediately, but not before he felt one last pang of regret for psychically brutalizing the one woman who had ever had feelings for him. Soon afterwards, Earth stopped its pointless hostilities towards the peaceful farmers of Skylon 4. "Congress Passes Law Permanently Abolishing War and Space Travel," Laurie read in her newspaper one morning. The news simultaneously excited her and bored her. She stared out the window, dreaming of her youth -- when the days had passed unhurriedly and carefree, with no newspapers to read, no television to distract her from her sense of innocent wonder at all the beautiful things around her. "Why must one lose one's innocence to become a woman?" she pondered wistfully.>

# Men vs. Women

----

Little did she know, but she had less than 10 seconds to live. Thousands of miles above the city, the Anu'udrian mothership launched the first of its lithium fusion missiles. The dim-witted wimpy peaceniks who pushed the Unilateral Aerospace Disarmament Treaty through Congress had left Earth a defenseless target for the hostile alien empires who were determined to destroy the human race. Within two hours after the passage of the treaty the Anu'udrian ships were on course for Earth, carrying enough firepower to pulverize the entire planet. With no one to stop them, they swiftly initiated their diabolical plan. The lithium fusion missile entered the atmosphere unimpeded.

The President, in his top-secret mobile submarine headquarters on the ocean floor off the coast of Guam, felt the inconceivably massive explosion which vaporized Laurie and 85 million other Americans. The President slammed his fist on the conference table. "We can't allow this! I'm going to veto that treaty! Let's blow 'em out of the sky!"

This is absurd. I refuse to continue this mockery of literature. My writing partner is a violent, chauvinistic, semi-literate adolescent.

Yeah? Well, you're a self-centered tedious neurotic whose attempts at writing are the literary equivalent of Valium..

Asshole.

Call.

Don't lie.

The rules are never fair. Accept this without question. The fact that she has to go through labor while you sit in the waiting room on your worrying ass smoking cigars isn't fair either, and it balances everything out.

Okay, guys. So the women have their little list of rules for men. I took it upon myself to create a similar list for the womenfolk. FER GAWD'S SAKES CAN'T WE ALL JUST GET ALONG!?!

## **MEN'S 43 or so RULES FOR WOMEN by Yer Uncle Tom**

1. It is only common courtesy that you should leave the seat on the toilet UP when you are done.

10. The man is ALWAYS in charge of poking (or anything for that matter) the campfire with a stick and/or tending the grill.
11. Trying to provoke a large, dangerous-looking felon from across the room is not funny.
12. Money does not equate love. Not even in Nevada.
13. Any attempt by a man to prepare food, no matter how feeble (ie Microwaving a burrito, fixing Spaghetti, etc) should be met with roughly the same degree of praise a parent might shower upon their infant when it walks for the first time.

37. Yes, Sharon Stone/Pamela Anderson/Cindy Crawford is prettier than you. Just like Brad Pitt/Antonio Banderas/Keanu Reeves is better looking than him. But since neither one of you is going to be dating any of these people, love the one you're with.
38. Of course size matters, and boy does he have the granddaddy of them all.
39. His (fill in appropriate selections:) bald spot/beer gut/impossibly thick glasses/impotency/scabby rash, is cute.
40. Don't hog the covers.
41. Watching football is a major turn-on for you. But please wait until the halftime show to act upon that...
42. He does not just want to be friends.

# Men vs. Women

Two new chemical elements have recently been discovered. Here, for the first time, is a description of their properties:

**Element name:** WOMAN Symbol: WO Atomic weight: (don't even go there!)

**Physical Properties:** Generally round in form. Boils at nothing and may freeze anytime. Melts whenever treated properly. Very bitter if not used well.

**Chemical Properties:** Very active. Highly unstable. Possesses strong affinity to gold, silver, platinum and precious stones. Violent when left alone. Able to absorb great amounts of exotic food. Turns slightly green when placed next to a better specimen.

**Usage:** Highly ornamental. An extremely good catalyst for dispersion of wealth. Probably the most powerful income reducing agent known.

**Caution:** Highly explosive in inexperienced hands.

-----

**Element name:** MAN Symbol: XY Atomic weight: (180 +/- 50)

**Physical properties:** Solid at room temperature, but gets bent out of shape easily. Fairly dense and sometimes flaky. Difficult to find a pure sample. Due to rust, aging samples are unable to conduct electricity as easily as young samples.

**Chemical properties:** Attempts to bond with WO any chance it can get. Also tends to form strong bonds with itself. Becomes explosive when mixed with Kd (Element: Child) for prolonged periods of time. Neutralize by saturating with alcohol.

**Usage:** None known. Possibly good methane source. Good samples are able to produce large quantities on command.

**Caution:** In the absence of WO, this element rapidly decomposes and begins to smell.

**1950 Home Economics.** The following is from an actual 1950s Home Economics textbook intended for High School girls, teaching how to prepare for married life.

1. Have dinner ready: Plan ahead, even the night before, to have a delicious meal - on time. This is a way of letting him know that you have been thinking about him, and are concerned about his needs. Most men are hungry when they come home and the prospects of a good meal are part of the warm welcome needed.

2. Prepare yourself: Take 15 minutes to rest so you will be refreshed when he arrives. Touch up your make-up, put a ribbon in your hair and be fresh looking. He has just been with a lot of work-weary people. Be a little gay and a little more interesting. His boring day may need a lift.

# Men vs. Women

3. Clear away the clutter. Make one last trip through the main part of the house just before your husband arrives, gathering up school books, toys, paper, etc. Then run a dust cloth over the tables. Your husband will feel he has reached a haven of rest and order, and it will give you a lift too.
4. Prepare the children: Take a few minutes to wash the children's hands and faces if they are small, comb their hair, and if necessary, change their clothes. They are little treasures and he would like to see them playing the part.
5. Minimize the noise: At the time of his arrival, eliminate all noise of washer, dryer, dishwasher, or vacuum. Try to encourage the children to be quiet. Be happy to see him. Greet him with a warm smile.
6. Some DON'TS: Don't greet him with problems or complaints. Don't complain if he's late for dinner. Count this as minor compared with what he might have gone through that day.
7. Make him comfortable: Have him lean back in a comfortable chair or suggest he lie down in the bedroom. Have a cool or warm drink ready for him. Arrange his pillow and offer to take off his shoes. Speak in a low, soft, soothing and pleasant voice. Allow him to relax and unwind.
8. Listen to him: You may have a dozen things to tell him, but the moment of his arrival is not the time. Let him talk first.
9. Make the evening his: Never complain if he does not take you out to dinner or to other places of entertainment; instead try to understand his world of strain and pressure and his need to be home and relax.
10. The Goal: try to make your home a place of peace and order where your husband can relax.

## **Now the updated version for the '90s woman.**

1. Have dinner ready: Make reservations ahead of time. If your day becomes too hectic just leave him a voice mail message regarding where you'd like to eat and at what time. This lets him know that your day has been crappy and gives him an opportunity to change your mood.
2. Prepare yourself: A quick stop at the "LANCOME" counter on your way home will do wonders for your outlook and will keep you from becoming irritated every time he opens his mouth. (Don't forget to use his credit card!)
3. Clear away the clutter: Call the housekeeper and tell her that any miscellaneous items left on the floor by the children can be placed in the Goodwill box in the garage.
4. Prepare the children: Send the children to their rooms to watch television or play Nintendo video games. After all, both of them are from his previous marriages.
5. Minimize the noise: If you happen to be home when he arrives, be in the bathroom with the door locked.

# Men vs. Women

6. Some DON'TS: Don't greet him with problems and complaints. Let him speak first, and then your complaints will get more attention and remain fresh in his mind throughout dinner. Don't complain if he's late for dinner; simply remind him that the leftovers are in the refrigerator and you left the dishes for him to do.
7. Make him comfortable: Tell him where he can find a blanket if he's cold. This will really show you care.
8. Listen to him: But don't ever let him get the last word.
9. Make the evening his: Never complain if he does not take you out to dinner or to other places of entertainment; go with a friend or go shopping (use his credit card).
10. The Goal: Try to keep things amicable without reminding him that he thinks the world revolves around him. Obviously he's wrong, it revolves around you.

# Men vs. Women

## Differences between men and women

### EATING OUT

When the bill arrives, Mike, Charlie, Bob and John will each throw \$20, even though it's only for \$22.50. None of them will have anything smaller, and none will actually admit they want change back. When the girls get their bill, out come the pocket calculators.

### BATHROOMS

A man has six items in his bathroom: a toothbrush, shaving cream, razor, a bar of soap, and a towel from the Holiday Inn. The average number of items in the typical woman's bathroom is 337. A man would not be able to identify most of these items.

### ARGUMENTS

A woman has the last word in any argument. Anything a man says after that is the beginning of a new argument.

### FUTURE

A woman worries about the future until she gets a husband. A man never worries about the future until he gets a wife.

### SUCCESS

A successful man is one who makes more money than his wife can spend. A successful woman is one who can find such a man.

### MARRIAGE

A woman marries a man expecting he will change, but he doesn't. A man marries a woman expecting that she won't change and she does.

### DRESSING UP

A woman will dress up to go shopping, water the plants, empty the garbage, answer the phone, read a book, get the mail. A man will dress up for weddings, funerals.

### NATURAL

Men wake up as good-looking as they went to bed. Women somehow deteriorate during the night.

# Men vs. Women

## OFFSPRING

Ah, children. A woman knows all about her children. She knows about dentist appointments and romances, best friends and favorite foods and secret fears and hopes and dreams.

A man is vaguely aware of some short people living in the house.

### Thought for the Day:

Any married man should forget his mistakes. There's no use in two people remembering the same thing.

- You're wrong.

- She is probably less impressed by your discourse on your cool car than you think she is.
- Ditto for your discourse on football.
- Ditto for your ability to jump up and hit any awning in a single bound.

The rules are never fair. Accept this without question. The fact that she has to go through labor while you sit in the waiting room, brag and smoke cigars isn't fair either, but it balances everything.
