Roger is a hard worker, and he spends most of his nights bowling or playing volleyball. One weekend, his wife decides that he needs relax a little and take a break from sports, so she takes him to a strip club (work with me here).

The doorman at the club spots them and says "Hey, Roger! How are you tonight?" His wife, surprised, asks her husband if he has been here before. "No, no. He's just one of the guys I bowl with."

They are seated, and the waitress approaches, sees Roger and says "Nice to see you, Roger. A gin and tonic as usual?" His wife's eyes "You must come here a lot!" "No, no" says Roger, "I just know her from volleyball!"

Then a stripper walks up to the table. She throws her arms around Roger and says, "Roger! A table dance as usual?" His wife, fuming, collects her things and storms out of the strip joint.

Roger follows her and spots her getting into a cab, so he jumps into the passenger seat. His wife looks at him, seething with fury and lets Roger have it with both barrels.

At this, the cabby leans over and says "Sure looks like you picked up a bitch tonight, Roger!"

A guy rents an apartment in New York, and goes to the lobby to put his name on the group mailbox. While there, an attractive young lady comes out of the apartment next to the mailboxes wearing a robe. He smiles at the young girl and she strikes up a conversation with him.

As they talk, her robe slips open, and it quite obvious that she has nothing on under the robe. Poor guy breaks out into a sweat trying to maintain eye contact. After a few minutes, she places her hand on his arm and says, "Let's go in my apartment, I hear someone coming..."

He proceeds into the apartment, she closes the door, and purrs at him, "What would you say is my best feature?" The flustered, embarrassed guy stammers, clears his throat several times, and finally squeaks out "Oh, it's got to be your ears!"

She's astounded! "Why my ears? My butt is firm, doesn't sag, and has no cellulite! Look at this skin, no blemishes, or scars! Why in heaven's name would you say my ears are the best part of my body?!"

Clearing his throat once again, he stammers - "Outside when you said you heard someone coming . . . that was me."

After just a few years of marriage, filled with constant arguments, young man and his wife decided the only way to save their marriage was to try counseling. They had been at each others throats for some time and felt that this was their last straw.

When they arrived at the counselor's office, the counselor jumped right in and opened the floor for discussion. "What seems to be the problem?"

Immediately, the husband held his long face down without anything to say.

On the other hand, the wife began talking 90 miles and hour describing all the wrongs within their marriage. After 5 - - 10 - - 15 minutes of listening to the wife, the counselor went over to her, picked her up by her shoulders, kissed her passionately for several minutes, and sat her back down.

Afterwards, the wife sat there - speechless. He looked over at the husband who was staring in disbelief at what had happened. The counselor spoke to the husband, "Your wife NEEDS that at least twice a week!"

The husband scratched his head and replied, "I can have her hereon Tuesdays and Thursdays."

Three mice are sitting in a bar in a pretty rough neighborhood late at night trying to impress each other about how tough they are.

The first mouse pounds a shot of scotch, slams the glass onto the bar, turns to the second mouse and says, "When I see a mousetrap, I lie on my back and set it off with my foot. When the bar comes down, I catch it in my teeth and bench press it.

The second mouse orders up two shots of sour mash, pounds them both, slams each glass onto the bar, turns to the first mouse and replies: "Yeah, well when I see rat poison, I collect as much as I can, take it home, grind it up into a powder, and add it to my coffee each morning so I can get a good buzz going for the rest of the day."

The first mouse and the second mouse then turn to the third mouse. The third mouse lets out a long sigh and says to the first two, "I don't have time for this bullshit. I gotta go home and fuck the cat."

Two guys are talking over a beer, discussing various sex positions. The first guy says his favorite position is the "Rodeo".

The other guy asks what the position is, and how to do it?

The first guy says, "You tell your wife to get on the bed on all fours and then do it doggy style. Once things start to get underway and she's really enjoying it, lean forward and whisper in her ear - 'Your sister likes this position too.' Then try to hang on for 8 seconds."

THE COW

Sex

On a farm out in the country lived a man and a woman and their threesons.

Early one morning, the woman awoke, and while looking out of the window onto the pasture, she saw that the family's only cow was lying dead in the field.

The situation looked hopeless to her—how could she possibly continue to feed her family now? In a depressed state of mind, she hung herself.

When the man awoke to find his wife dead, as well as the cow, he too began to see the hopelessness of the situation, and he shot himself in the head.

Now the oldest son woke up to discover his parents dead (and the cow!), and he decided to go down to the river and drown himself. When he got to the river, he discovered a mermaid sitting on the bank. She said, "I've seen all and know the reason for your despair. But if you will have sex with me five times in a row, I will restore your parents and the cow to you."

The son agreed to try, but after four times, he was simply unable to satisfy her again. So the mermaid drowned him in the river.

Next the second oldest son woke up. After discovering what had happened, he too decided to throw himself into the river. The mermaid said to him, "If you will have sex with me ten times in a row, I will make everything right."

And while the son tried his best (seven times!), it was not enough to satisfy the mermaid, so she drowned him in the river.

The youngest son woke up and saw his parents dead, the dead cow in the field, and his brothers gone. He decided that life was a hopeless prospect, and he went down to the river to throw himself in. And there he also met the mermaid. "I have seen all that has happened, and I can make everything right if you will only have sex with me fifteen times in a row."

The young son replied, "Is that all? Why not twenty times in a row?" The mermaid was somewhat taken aback by this request. Then he said, "Hell, why not twenty-five times in a row?" And even as she was reluctantly agreeing to his request, he said, "Why not THIRTY times in a row?"

Finally, she said, "Enough!! Okay, if you will have sex with me thirty times in a row, then I will bring everybody back to perfect health."

Then the young son asked, "Wait! How do I know that thirty times in a row won't kill you like it did the cow?"

A guy out on the golf course takes a high speed ball right in the crotch. Writhing in agony, he falls to the ground.

When he finally gets himself to the doctor, he asks, "How bad is it, doc? I'm going on my honeymoon next week, and my fiancée is still a virgin in every way."

The doc says, "I'll have to put your penis in a splint to let it heal and keep it straight. It should be okay next week."

So the doctor took four tongue depressors and formed a neat little 4-sided bandage, and wired it all together; an impressive work of art.

The guy mentions none of this to his girl, marries, and on his honeymoon night in the motel room, she rips open her blouse to reveal a gorgeous set of breasts. This was the first time he'd seen them.

She says, "You'll be the first. No one has ever touched these breasts."

He whips down his pants and says, "Look at this, it's still in the crate!"

Johnny (age 8) comes into the house for dinner after playing outside all afternoon. His parents ask him what he did today. He says that he played baseball and then he proposed to Betty (age 7) the next door neighbor. They are going to get married.

His parents think this is cute, and they don't want to make fun of Johnny so they ask Johnny him "How are you and Betty going to pay for the expenses of being married?" He replies "Well with the \$1 I get each week from you and the \$1 she gets from her Mom and Dad, we should do o.k."

His father says "That's fine, but how will you pay the extra expenses if you and Betty have a baby?"

Johnny answers "Well, so far, we've been lucky..."

KODAK MOMENT

This priest, hiding in the back of his Church, was enjoying his manhood. (Using his right hand.) Right at the critical moment, mid ecstasy, a youngster walks up on him with a camera and snaps a quick picture. The priest, recognizing the mess he's in (of course he recognizes the mess, he's done this a lot. But, I'm talking about this NEW mess - the one with just having his picture taken..) offers to buy the camera.

The kid, being quite capitalistic, and also recognizing the mess the priest is in, (Yeah, yeah. Boys will be boys, but I'm still talking about the camera.) agrees to sell the camera (after some mostly one sided negotiation.) for quite a profit(\$1000.00 for a \$35.00 camera,not including the rebate.). For obvious reasons, they didn't shake hands after the deal.

Later, when the priest was on holiday in Rome, he was going about taking pictures with his camera when he came upon a statue of the patron Saint of his Parrish. He asked a passerby if he would take a picture of the priest with the statue & the passerby readily agreed.

The man commented on the camera & asked the priest how much he paid for it.

The priest told him: \$1000.00!

And the man said: They must have seen you coming!

Ha! Ha! Ha!

A rich lonely widow decided that she needed another man in her life so she placed an ad, which read something like this:

RICH WIDOW LOOKING FOR MAN TO SHARE LIFE AND FORTUNE WITH THE

FOLLOWING QUALIFICATIONS:

- 1) **WON'T BEAT ME UP**
- 2) **WON'T RUN AWAY**
- 3) **HAS TO BE GREAT IN BED**

For several months, her phone rang off the hook, her doorbell was ringing constantly, she received tons of mail, etc., all to no avail: none seemed to match her qualifications.

Then one day the doorbell rang yet again. She opened the door to find a man with no arms and no legs lying on the welcome mat. Perplexed, she asked, "Who are you? And what do you want?" "Hi," he said, "your search is over, for I'm the man of your dreams. I've got no arms so I can't beat you up and no legs so I can't run away."

"Well then", she said, "what makes you think that you're so great in bed?"

To which he replied, "Well, I rang the doorbell, didn't I?"

.....

It was Alfredo the Mailman's last day on the job after 35 years of carrying the mail through all kinds of weather to the same neighborhood. When he arrived at the first house on his route, he was greeted by the whole family, who roundly and soundly congratulated him and sent him on his way with a tidy gift envelope. At the second house they presented him with a box of fine cigars. The folks at the third house handed him a selection of terrific fishing lures. At the fourth house, he was met at the door by a strikingly beautiful blonde woman in a revealing negligee. She took him by the hand, gently led him through the door and up the stairs to the bedroom where she blew his mind with the most passionate love he had ever experienced. When he had had enough, they went downstairs, where she fixed him a giant breakfast; eggs, potatoes, ham, sausage, blueberry waffles, and fresh-squeezed orange juice. When he was truly satisfied she poured him a cup of steaming coffee. As she was pouring, he noticed a dollar bill sticking out from under the cup's bottom edge. "All this was just too wonderful for words," he told the blonde, "but what's the dollar for?" "Well", she said, "last night, I told my husband that today would be your last day, and that we should do something special for you. I asked him what to give you, and he said, "Fuck him. Give him a dollar." The breakfast was my idea.

The married couple was enjoying a dinner out when a statuesque blonde walked over to their table, exchanged warm greetings with the husband and walked off.

"Who was that?" the wife demanded.

"If you must know," he coolly replied, "that was my mistress."

"Your mistress? I want a divorce!"

"Are you sure you want to give up a big house in the suburbs, a Mercedes, furs, jewelry and a vacation home in Mexico?"

They continued dining in silence. Finally, the woman nudged her husband and said, "Isn't that Howard over there? Who's he with?"

"That's his mistress," her husband replied.

"Oh," she said, taking a bite of dessert. "Ours is cuter."

An old farmer decides that it was time to get a new rooster for his hens. The current rooster was still doing an O.K. job but he was getting on in years, and the farmer figured getting a new rooster couldn't hurt anything. So he buys a young cock from the local rooster emporium, and turns him loose in the barn yard.

Well, the old rooster sees the young one strutting around and he gets a little worried. "So they're trying to replace me," thinks the old rooster, "I've got to do something about this. He walks up to the new bird and says, "So you are the new stud in town?, I bet you really think you are hot stuff, don't you? Well I'm not ready for the chopping block yet. I'll bet I'm still the better bird, and to prove it, I challenge you to a race around that hen house. We'll run around it 10 times and whoever finishes first gets to have all the hens for himself."

Well, the young rooster was a proud sort, and he definitely thought he was more than a match for the old guy. "You're on," said the young rooster, "and since I know I'm so great, I'll even give you a head start of half a lap, I'll still win easy."

So the two roosters go over the hen house to start the race with all the hens gathered around to watch. The race begins and the hens start cheering the roosters on. After the first lap, the old rooster is still maintaining his lead. After the second lap, the old guy's lead has slipped a little but he is still hanging in there. Unfortunately the old rooster's lead continues to slip each time around, by the fifth lap he's just barely in front of the young rooster.

By now the farmer has heard the commotion, he runs into the house, gets his shotgun and runs to the barn yard figuring a fox or something is after his chicken. When he gets there, he sees the two roosters running around the hen house, with the old rooster slightly ahead in the lead, he immediately takes his shotgun, aims, fires, and blows the young rooster away. As he walks away slowly, he says to himself..... "Damn, that's the third gay rooster I've bought this month."

THE DILDO

As soon as his boss walks out the door this white woman comes in and says, "Hmm, I've never had a black dildo before, I think I'll take one of those." He charges her 30 bucks and says the obligatory 'Have a nice day.'

About ten minutes later a black woman comes in and says, "I've never had a white dildo. Gimme one of those." "That'll be \$30," he says. "Thank you."

That's a good deal, I'll take it."

A little while later his boss come back and asks how he did. The guy says, "Well, I sold a black dildo for \$30, a white dildo for \$30, and your thermos for \$600."

The next day the daughter was riding in the buggy with her boyfriend. The boyfriend said, "My hands are freezing cold."

The daughter said, "Put them between my legs, they'll warm up." So he did. Next day the boyfriend is driving in the buggy with the daughter. He said, "My nose is freezing cold."

The daughter said "Put it between my legs, it will warm up." He did and his nose warmed up. The next day the boyfriend is driving again with the daughter and he said, "My penis is frozen solid."

Later that week, the daughter is driving in the buggy with her mother. She says to her mother, "Have you ever heard of a penis?"

The daughter says, "Well, do they always make a mess when they thaw out?"

A nun gets on a bus and sits behind the driver. She says to the bus driver she needs someone to talk to. She lives in a convent and wants to experience sex before she dies. The bus driver agrees but the nun explains she can't have sex with a married man because it would be a sin. The bus driver says no problem, he's not married. The nun says she also has to die a virgin, so she has to take it in the ass. The bus driver agrees again and being the only two people on the bus they go in the back and take care of business. When they were done and he had resumed driving, the bus driver said, "Sister, I have a confession to make, I'm married and have three kids." The nun replied, "That's O.K. I have a confession too. My name is Bruce and I'm on my way to a costume party."

"I hope you know CPR, because you take my breath away."

Two Texans drove to a gas station in Mississippi for a fill-up because they heard about a contest being offered by the station to patrons who purchase a full tank of gas. When they went inside to pay, the men asked the attendant about the contest. "If you win, you're entitled to free sex," said the attendant. "How do we enter?" asked the Texan. "Well, I'm thinking of a number between 1-10; if you guess right, You win free sex."

"O.K. I guess 7," said a Texan.

"Sorry, I was thinking of 8," replied the attendant.

The next week, the two Texans returned to the same station to get gas. When they went inside to pay, the one Texan asked the attendant if the contest was still going on. "Sure," replied the attendant. "I'm thinking of a number between 1-10, if you guess right. You win free sex." "2," said the Texan.

"Sorry, I was thinking of 3," replied the attendant. "Come back soon and try again."

As they walked back to the car, the one Texan said to the other, "You know, I'm beginning to think this contest is rigged." "No way," said the other. "My wife won twice last week."

Sally's dog snores in his sleep and keeps she and her husband awake at night. So Sally takes her dog Rocky to the vet to see if he can help solve the dog's snoring problem. The vet tells Sally to tie a ribbon around Rocky's testicles and he will stop snoring. Sally is very skeptical with what the vet has told her, but she decides to keep an open mind.

A few hours after going to bed Rocky starts snoring. Very upset that she can't get back to sleep, Sally goes to the closet and grabs a piece of ribbon. She ties the ribbon around Rocky's testicles just like the vet instructed and sure enough, Rocky stops snoring. Sally is amazed that it worked!

Later that night her husband Fred returns home after being out with his friends. Fred is very drunk. He climbs into bed, falls asleep, and begins snoring very loudly. Sally is so desperate for a good night's sleep that she thinks that maybe the ribbon might work on Fred too. She goes to the closet again, grabs a piece of ribbon, and ties it around Fred's testicles. Amazingly, the ribbon works on him too. Sally falls asleep again and sleeps very soundly.

The next morning Fred wakes up with a very bad hangover. He stumbles into the bathroom to urinate. As Fred is standing in front of the toilet, he notices a blue ribbon tied around his testicles. He is very confused. He walks back into the bedroom and sees that a red ribbon has been tied around Rocky's testicles. Fred looks at Rocky and says, "Boy, I don't remember what the hell happened last night, but wherever you and I went, we got first and second place!"

A rather confident man walks into a bar and takes a seat next to a very attractive woman. He gives her a quick glance, then casually looks at his watch for a moment.

The woman notices this and asks, "Is your date running late?"

"No", he replies, "I just bought this state-of-the-art watch and I was just testing it."

The intrigued woman says, "A state-of-the-art watch? What's so special about it?"

"It uses alpha waves to telepathically talk to me," he explains.

"What's it telling you now?"

"Well, it says you're not wearing any panties..."

The woman giggles and replies, "Well it must be broken then because I am wearing panties!"

The man explains, "Damn thing must be an hour fast."

A couple made a deal that whoever died first they would come back and inform the other of the after life. The woman's biggest fear was there was no heaven.

After a long life the husband was the first to go and true to his word he made contact.

"Mary...Mary...."

"Is that you Fred?"

Sex

"Yes, I have come back like we agreed."

"What is it like?"

"Well, I get up in the morning, I have sex. I have breakfast, I have sex, I bask in the sun, then I have sex-twice. I have lunch, then sex pretty much all afternoon. Supper, then sex till late at night. Sleep then start all over again."

"Oh, Fred, you surely must be in heaven!"

"No, Mary, I'm a rabbit in Kansas."

An elderly spinster called the lawyer's office and told the receptionist she wanted to see the lawyer about having a will prepared. The receptionist suggested they set up an appointment for a convenient time for the spinster to come into the office. The woman replied, "You must understand, I've lived alone all my life, I rarely see anyone, and I don't like to go out. Would it be possible for the lawyer to come to my house?"

The receptionist checked with the attorney who agreed and he went to the spinster's home for the meeting to discuss her estate and the will. The lawyer's first question was, "Would you please tell me what you have in assets and how you'd like them to be distributed under your will?" She replied, "Besides the furniture and accessories you see here, I have \$40,000 in my savings account at the bank."

"Tell me," the lawyer asked, "how would you like the \$40,000 to be distributed?" The spinster said, "Well, as I've told you, I've lived a reclusive life, people have hardly ever noticed me, so I'd like them to notice when I pass on. I'd like to provide \$35,000 for my funeral."

The lawyer remarked, "Well, for \$35,000 you will be able to have a funeral that will certainly be noticed and will leave a lasting impression on anyone who may not have taken much note of you! But tell me," he continued, "what would you like to do with the remaining \$5,000?"

The spinster replied, "As you know, I've never married, I've lived alone almost my entire life, and in fact I've never slept with a man. I'd like you to use the \$5,000 to arrange for a man to sleep with me."

"This is a very unusual request," the lawyer said, adding, "but I'll see what I can do to arrange it and get back to you."

That evening, the lawyer was at home telling his wife about the eccentric spinster and her weird request. After thinking about how much she could do around the house with \$5,000, and with a bit of coaxing, she got her husband to agree to provide the service himself. She said, "I'll drive you over tomorrow morning, and wait in the car until you're finished."

The next morning, she drove him to the spinster's house and waited while he went into the house. She waited for over an hour, but her husband didn't come out. So she blew the car horn. Shortly, the upstairs bedroom window opened, the lawyer stuck his head out and yelled, "Pick me up tomorrow, she's going to let the County bury her!"

This fellow was talking to his buddy, and he said, "I don't know what to get my wife for her birthday. She has everything, and besides, she can afford to buy anything she wants, so I'm stumped." His buddy said, "I have an idea. Why don't you make up a certificate saying she can have 60 minutes of great sex, any way that she wants it. She'll probably be thrilled."

So the fellow took his friends suggestion.

The next day his buddy asked, "Well? Did you take my suggestion?"

"Yes, I did," said the fellow.

"...And did she like it?" His buddy asked. "Oh yes! She jumped up, thanked me, kissed me on the forehead and ran out the door yelling, "I'll be back in an hour!!!"

God says to Adam, "I have good news and bad news. The good news is, I'm going to give you a brain and a penis. The bad news is, I'm only going to give you enough blood to run one at a time."

Little Johnny, on a day when he was being particularly reckless, was playing in the backyard one morning. Soon, some honeybees started swirling around, annoying Little Johnny. He began stomping on them in his temper. His father caught him trampling the honeybees, and after a brief moment of thought said, "That's it! No honey for you for one month!"

Later that afternoon, Johnny pondered upon some butterflies, and soon started catching them and crushing them under his feet. His father again caught him, and after a brief moment of thought, said, no butter for you for one month!"

Early that evening, Johnny's mother was cooking dinner, and got jumpy when cockroaches started scurrying around the kitchen floor. She began stomping on them one by one until all the cockroaches were dead.

Johnny's mother looked up to find Johnny and his father standing there watching her. To which Johnny said, "Are you going to tell her daddy, or do you want me to?"

A teacher cautiously approaches the subject of sex education with her fourth grade class because she realizes Little Johnny's propensity for sexual innuendo. But Johnny remains attentive throughout the entire lecture. Finally, towards the end of the lesson, the teacher asks for examples of sex education from the class.

One little boy raises his hand, "I saw a bird in her nest with some eggs."

"Very good, William," said the teacher. "My mommy had a baby," said little Esther. "Oh, that's nice," replied the teacher.

Finally, Little Johnny raises his hand. With much fear and trepidation, the teacher calls on him. "I was watchin' TV yesterday, and I saw the Lone Ranger. He was surrounded by hundreds and hundreds of Indians. And they all attacked at one time. And he killed every one of them with his two guns."

The teacher was relieved but puzzled, "And what does that have to do with sex education, Johnny?"

"It'll teach those Indians not to fuck with the Lone Ranger."

One evening, a man was eating peanuts by throwing them in the air and catching them in his mouth. As he threw one in the air, his wife asked him a question. When the man turned his head, the peanut fell in his ear. He tried to get it out, but his fingers were too big. His wife tried to get the peanut out with a pair of tweezers, but just pushed it in farther.

They finally decided to go to the hospital. As they were about to leave, their daughter and her date came home. They told them their situation and their daughter's date said he could get it out for him. The daughter's date put his two fingers in her father's nose and told him to blow real hard. It worked and the peanut fell out.

The daughter and her date went up stairs and the man and his wife talked about how smart the boy was in coming up with that idea. The man's wife asked, "I wonder what he's going to be when he grows up." The man says, "From the smell of his fingers, he's going to be our son-in-law."

After years of frustration, the Smiths had no children and decided to use a proxy father to start their family. On the day the proxy father was to arrive, Mr. Smith kissed his wife and said, "I'm off. The man should be here soon".

Half an hour later, just by chance, a door-to-door baby photographer rang the doorbell, hoping to make a sale. "Good morning madam. You don't know me, but I've come to..."

"Oh, no need to explain. I've been expecting you," Mrs. Smith cut in.

"Really?" the photographer asked. "Well, good! I've made a specialty of babies."

"That's what my husband and I had hoped. Please come in and have a seat."

"Just where do we start?" asked Mrs. Smith, blushing.

"Leave everything to me. I usually try two in the bathtub, one on the couch and perhaps a couple on the bed. Sometimes the living room floor is fun too; you can really spread out."

"Bathtub, living room floor? No wonder it didn't work for Harry and me."

"Well, madam, none of us can guarantee a good one every time. But if we try several different positions and I shoot from six or seven angles, I'm sure you'll be pleased with the results."

"I hope we can get this over with quickly," gasped Mrs. Smith. "Madam, in my line of work, a man must take his time. I'd love to be in and out in five minutes, but you'd be disappointed with that, I'm sure."

"Don't I know!?" Mrs. Smith exclaimed.

The photographer opened his briefcase and pulled out a portfolio of his baby pictures. "This was done on the top of a bus in downtown London." "Oh my god!," Mrs. Smith exclaimed, tugging at her handkerchief.

"And these twins turned out exceptionally well when you consider their mother was so difficult to work with." The photographer handed Mrs. Smith the picture.

"She was difficult?" asked Mrs. Smith.

"Yes, I'm afraid so. I finally had to take her to Hyde Park to get the job done right. People were crowding around four and five deep, pushing to get a good look."

"Four and five deep?" asked Mrs. Smith, eyes widened in amazement.

"Yes", the photographer said. "And for more than three hours, too. "The mother was constantly squealing and yelling. I could hardly concentrate."

Then darkness approached and I began to rush my shots.

Finally, when the squirrels began nibbling on my equipment, I just packed it all in."

Mrs. Smith leaned forward. "You mean they actually chewed on your, eh...equipment?"

"That's right. Well madam, if you're ready, I'll set up my tripod so that we can get to work."

"Tripod??," Mrs. Smith looked extremely worried now.

"Oh yes, I have to use a tripod to rest my Canon on. It's much too big for me to hold while I'm getting ready for action.

A man and a woman are riding next to each other in first class on a plane. The woman sneezes, then takes a tissue and gently wipes it between her legs.

The man isn't sure he saw what she did, and decides he is probably hallucinating.

A few minutes pass. The woman sneezes again. She takes a tissue and gently wipes it between her legs.

The man is about to go nuts. He can't believe that he's seeing what he's seeing.

A few more minutes pass. The woman sneezes yet again. She takes a tissue and gently wipes it between her legs yet again.

The man has finally had all he can handle. He turns to the woman and says, "Three times you've sneezed, and three times you've taken a tissue and wiped it between your legs!

What kind of signals are you sending me, or are you just trying to drive me crazy?"

The woman replies, "I am sorry to have disturbed you, sir. I have a rare condition such that when I sneeze, I have an orgasm."

The man, now feeling bad, says, "Oh, I'm sorry. What are you taking for it?"

The woman looks at him and says, "Pepper."

A woman was in bed with her lover when she heard her husband opening the front door. "Hurry!" she said, "Stand in the corner!"

She quickly rubbed baby oil all over him and then she dusted him with talcum powder. "Don't move until I tell you to," she whispered. "Just pretend you're a statue."

"What's this, honey?" the husband inquired as he entered the room.

"Oh, it's just a statue," she replied nonchalantly. "The Smiths bought one for their bedroom. I liked it so much, I got one for us too." No more was said about the statue, not even later that night when they went to sleep.

Around two in the morning the husband got out of bed, went to the kitchen and returned a while later with a sandwich and a glass of milk.

"Here," he said to the 'statue', "Eat something! I stood like an idiot at the Smiths' for three days, and nobody offered me as much as a glass of water."
